

Since this is the age of Social Networking, Bill and I are putting out a need that we have to all of our FACEBOOK friends and families. We have been working with a group of kids and teenagers, in Guatemala, for the last 3-4 years. Every year has seen growth, both numerically and spiritually. We love these kids and are excited to be a part of their lives. A couple of years ago a young lady wrote us a letter asking for help to continue her education after 6<sup>th</sup> grade since her family could not afford to send her onto Basico for the next 3 years. It was at that point that we decided to solicit help from our family and friends. We were able to help 11 teens the first year and 13 last year. However, there are so many more in our youth group that could use assistance. For a \$150 you can sponsor a youth by helping them with their school supplies, uniform, special project costs and internet usage. We have been blessed to have 18 laptop computers donated but we still have to pay internet costs, printers, supplies, and our young lady who oversees it all.

Education is not something people take for granted here. I just read recently that 55% finish primary school but only 15% go on to high school. Please partner with us and give a young Guatemalan a chance at a better future. We are doing what we can but we can't do it alone.

*To sponsor a young person, please send your name, address, and email to the address given. Indicate whether you want to sponsor a student for **\$150**, or would you like to give a one-time gift "towards" a student scholarship, or you want to support the Internet Café with a one-time gift.*

*Make your check out to **NJCF**, indicate Guatemala School Scholarship on the memo line, then send your check and personal information to the following address:*

New Jerusalem Christian Fellowship.

14977 Harper Rd.

Somerset, MI 49233

**Checks must be received no later than December 16<sup>th</sup>.**
